JOHN

WORLD BOOK DAY!

DON'T FORGET THE IMPORTANT MESSAGE!

The **MORE** that you
READ, the
more things

you will **KNOW.**

The **MORE** that you
LEARN, the more places
you'll
GO.

Dr. Seuss

Reading has been proven to have a positive impact on:

- How well you do at school (across all subjects);
- Happiness;
- Health/ Quality of Life;
- Social/emotional skills – e.g. empathy, teamwork
- Learning skills – e.g. resilience, problem solving

Some facts about reading...

- Parents are the most important reading role models for children and young people.
- Reading for pleasure is more important than either wealth or social class as an indicator of success at school. Children who read for pleasure tend to do significantly better at school than their peers.
- Reading skills are a key predictor of academic success.
- Children who are read with at least three times a week by a family member are almost twice as likely to score in the top 25% in reading than children who are read with less than 3 times a week.
