# GOOD AFTERNOON EVERYONE!

*Hello, and welcome to this week's  
Celebration Assembly!  
This is our last assembly before the half-  
term break, but you guys certainly don't  
let up – you continue to amaze us with  
your tremendous home learning! Here is  
a selection of some of your finest efforts  
this week.*

# DUCKLINGS HOME LEARNING!

Oh how I miss our little Ducklings. Every week we are blown away by all of the exciting and creative things that they get up to home. Keep up the good work, everyone!

# CONGRATULATIONS!

*Many congratulations to Jake and his family. This week, they celebrated the birth of Jake's baby sister. Here he is, writing a diary entry about his first days with his sister. Well done Jake!*

# WORLD KNOWLEDGE!

*Rocco and Charles really are a knowledgeable pair of chaps. This week they sent us a video where they were testing each other on their world knowledge – I learnt a thing or two.*

*Unfortunately, the file is too big to show the video here, but thank you boys!*

# CLEAN YOUR TEETH!

*Well done to the Minnows for your excellent posters about how to clean our teeth properly! These examples are by Oliver, Ted and Eleanor. Be careful that you do not blind anyone with your sparkling white smiles!*

# SUPER FRANK!

*Frank has been going for it this week. He was inspired by the Minnows Class sea adventure, and also made a lollipop stick birdhouse. How good is that?!*

# HAPPINESS!

*This week, the Frogs have been thinking about what makes them happiest. If you ask me, the happiness of you and the people around you is the most important thing in life!*

*Wait, what do you mean you 'didn't ask me?'*

# HEALTHY LIVING!

7920, 7921, 7922...yes that's right, I'm STILL going. And so are the Frogs, who continue to send us their healthy living posters! Well done Frogs!
