

## You will need:

- 4 gummy bears
- a cup of water
- a cup of fizzy drink
- a cup of black tea (cooled)
- an empty cup

\*\*\*clear cups and clearer liquid will work better.

## **Instructions**

- 1. put 1 gummy bear in each of the cups.
- 2. take a photo, or draw or make a note of what the gummy bear looks like.
- 3. each day come back and look at your gummy bear.
- 4. discuss or comment on how the gummy bear looks in each liquid.
- 5. you could make a little diary to keep track of the changes.

what has changed about the gummy bear?

what is the same about the gummy bears?

have they changed colour?

have they changed size?
