

# End of Key Stage 2 Results 2017

In May our Year 6 pupils took their End of Key Stage 2 SATs tests. We are very proud of the way the children worked in preparation for the tests and the results reflect their maturity and hard work.

We would like to thank the children, parents and the teachers for working so effectively as a partnership to ensure that the children are well prepared for secondary education.

Below you'll find the school's results compared to national data.
